Handwritten text in a medieval script, likely Latin or Greek, with several large initial letters and some marginalia.

Handwritten text in a medieval script, likely a liturgical or legal document. The text is arranged in several columns, with some lines starting with large initial letters. The script is dense and characteristic of the Middle Ages.

Handwritten text in a medieval script, likely a liturgical or legal document. The text is arranged in several columns, with some lines starting with large initial letters. The script is dense and characteristic of the Middle Ages.

Handwritten musical notation on page 126, featuring a single staff with square neumes and Latin text. The text includes the words "Kyrie" and "Eleyson".

127
Handwritten musical notation on page 127, featuring a single staff with square neumes and Latin text. The text includes the words "Kyrie" and "Eleyson".

Handwritten text in a medieval script, likely Latin or a related language, with several large initial letters and some decorative flourishes. The text is arranged in several lines, with some lines starting with a large letter in a circle. The script is dense and difficult to read due to the fading and the style of the handwriting.

Handwritten text in a medieval script, likely Latin or a related language, with several large initial letters and some decorative flourishes. The text is arranged in several lines, with some lines starting with a large letter in a circle. The script is dense and difficult to read due to the fading and the style of the handwriting.

Handwritten text in a medieval script, likely Latin or Hebrew, with several large initial letters and some marginal notes.

Handwritten text in a medieval script, likely Latin or Hebrew, with several large initial letters and some marginal notes.

Handwritten text on the left page, featuring musical notation and dense script. The text is organized into several sections, each beginning with a large, decorative initial letter. The script is a cursive style typical of medieval manuscripts. The page number '132' is faintly visible at the top right.

Handwritten text on the right page, featuring musical notation and dense script. The text is organized into several sections, each beginning with a large, decorative initial letter. The script is a cursive style typical of medieval manuscripts. The page number '133' is faintly visible at the top right.

Handwritten text in a medieval script, likely Latin or a related language. The text is arranged in several columns and includes various symbols and abbreviations. Some lines are enclosed in large, decorative brackets or parentheses, possibly indicating specific sections or headings. The script is dense and characteristic of the late Middle Ages.

Handwritten text in a medieval script, likely Latin or a related language. The text is arranged in several columns and includes various symbols and abbreviations. Some lines are enclosed in large, decorative brackets or parentheses, possibly indicating specific sections or headings. The script is dense and characteristic of the late Middle Ages.

Handwritten text in a medieval script, likely Latin or Greek, with several lines of text and some decorative elements. The text is arranged in a single column on the left page.

Handwritten text in a medieval script, likely Latin or Greek, with several lines of text and some decorative elements. The text is arranged in a single column on the right page.

Handwritten text in a medieval script, likely Latin or a related language. The text is organized into several paragraphs, each beginning with a large initial letter, possibly a section marker. The script is dense and characteristic of the late Middle Ages.

Handwritten text in a medieval script, likely Latin or a related language. The text is organized into several paragraphs, each beginning with a large initial letter, possibly a section marker. The script is dense and characteristic of the late Middle Ages.

Handwritten musical notation on the left page, consisting of approximately 15 staves of square notes on a four-line staff. The notation is dense and includes some larger, decorated initials. The text is written in a medieval Gothic script.

136
Handwritten musical notation on the right page, consisting of approximately 15 staves of square notes on a four-line staff. The notation is dense and includes some larger, decorated initials. The text is written in a medieval Gothic script.

Handwritten text on the left page, featuring musical notation and several large initial letters (A, B, C, D, E, F, G, H, I, K, L, M, N, O, P, Q, R, S, T, U, V, X, Y, Z) marking the beginning of sections. The text is written in a medieval script, likely Latin or Hebrew, with some words appearing to be in a different language.

137
Handwritten text on the right page, featuring musical notation and several large initial letters (A, B, C, D, E, F, G, H, I, K, L, M, N, O, P, Q, R, S, T, U, V, X, Y, Z) marking the beginning of sections. The text is written in a medieval script, likely Latin or Hebrew, with some words appearing to be in a different language.

Handwritten text on the left page, consisting of several lines of script with some initial letters in red ink. The text is arranged in a single column and appears to be a liturgical or scholarly passage.

Handwritten text on the right page, consisting of several lines of script with some initial letters in red ink. The text is arranged in a single column and appears to be a liturgical or scholarly passage.

Handwritten text in a medieval script, likely Latin or Hebrew, with several large initial letters and some red ink used for initials or headings. The text is arranged in approximately 10 lines.

Handwritten text in a medieval script, likely Latin or Hebrew, with several large initial letters and some red ink used for initials or headings. The text is arranged in approximately 10 lines.

Handwritten musical notation on the left page, consisting of approximately 18 staves of square notes on a four-line staff. The notation is dense and includes various rhythmic markings and clefs. Some text is visible between the staves, but it is mostly illegible due to the image quality.

147
Handwritten musical notation on the right page, consisting of approximately 18 staves of square notes on a four-line staff. The notation is dense and includes various rhythmic markings and clefs. Some text is visible between the staves, but it is mostly illegible due to the image quality.

Handwritten text in a medieval script, likely Latin or a related language. The text is organized into several distinct sections, each beginning with a large, decorative initial letter. The script is dense and fills most of the page.

Handwritten text in a medieval script, likely Latin or a related language. The text is organized into several distinct sections, each beginning with a large, decorative initial letter. The script is dense and fills most of the page.

Handwritten text in a medieval script, likely Latin or a related language. The text is arranged in several lines, with some lines starting with large, decorated initials. The script is dense and characteristic of the late Middle Ages.

Handwritten text in a medieval script, likely Latin or a related language. The text is arranged in several lines, with some lines starting with large, decorated initials. The script is dense and characteristic of the late Middle Ages.

Handwritten text in a medieval script, likely Latin or a related language. The text is arranged in several columns, with some lines starting with large initial letters. The script is dense and characteristic of the late Middle Ages.

Handwritten text in a medieval script, likely Latin or a related language. The text is arranged in several columns, with some lines starting with large initial letters. The script is dense and characteristic of the late Middle Ages.

Handwritten text in a medieval script, likely Latin or a related language. The text is organized into several paragraphs, each beginning with a large initial letter, possibly a letter of the alphabet or a specific marker. The script is dense and cursive, typical of the late Middle Ages. The text appears to be a form of accounting or a list of entries, given the repetitive nature of some phrases and the use of numbers or symbols.

Handwritten text in a medieval script, likely Latin or a related language. The text is organized into several paragraphs, each beginning with a large initial letter, possibly a letter of the alphabet or a specific marker. The script is dense and cursive, typical of the late Middle Ages. The text appears to be a form of accounting or a list of entries, given the repetitive nature of some phrases and the use of numbers or symbols.

Handwritten text in a medieval script, likely Latin or German, with some red ink used for initials or headings. The text is arranged in several lines, with some larger initials on the left side.

148
Handwritten text in a medieval script, likely Latin or German, with some red ink used for initials or headings. The text is arranged in several lines, with some larger initials on the left side.

Handwritten musical notation on the left page, featuring several staves with notes and some accompanying text. The notation includes various rhythmic values and clefs. The text is written in a medieval script, likely Latin or a related language, and is interspersed with the musical staves. The page shows signs of age, with some staining and wear.

Handwritten musical notation on the right page, continuing the piece from the left page. It features multiple staves of music with notes and some text. The notation is consistent with the left page, showing a continuation of the musical composition. The page is also aged and shows some wear.

Handwritten text in a medieval script, likely Latin or a related language. The text is arranged in several columns, with some lines starting with large, decorated initials. The script is dense and characteristic of the late Middle Ages.

Handwritten text in a medieval script, likely Latin or a related language. The text is arranged in several columns, with some lines starting with large, decorated initials. The script is dense and characteristic of the late Middle Ages.

Handwritten text in a medieval script, likely Latin or Greek, with several lines of text and some decorative elements. The text is arranged in a column and includes various symbols and characters.

Handwritten text in a medieval script, likely Latin or Greek, with several lines of text and some decorative elements. The text is arranged in a column and includes various symbols and characters.

Handwritten musical notation on the left page, consisting of several staves with square neumes and Latin text. The notation is dense and fills most of the page.

158
Handwritten musical notation on the right page, consisting of several staves with square neumes and Latin text. The page number '158' is written in the upper right corner.

Handwritten text in a medieval script, possibly Latin or a related language. The text is organized into several paragraphs, each beginning with a large initial letter, likely a section marker. The script is dense and characteristic of the late Middle Ages.

Handwritten text in a medieval script, similar to the left page. It also features several paragraphs with large initial letters. The text is dense and appears to be a continuation of a similar work or a related document.

Handwritten text in a medieval script, likely Latin or a related language. The text is arranged in several lines, with some lines starting with large, decorated initials. The script is dense and characteristic of the late Middle Ages.

Handwritten text in a medieval script, likely Latin or a related language. The text is arranged in several lines, with some lines starting with large, decorated initials. The script is dense and characteristic of the late Middle Ages.
